About Old San Antonio / Cascade Caverns

A collection of four individual parcels of land conveniently located in Boerne, one of the fastest growing cities in Texas. With a collective 7.183 acres, the site borders a new multi-million dollar elementary and middle school, a newly constructed Marriott Fairfield Inn and a proposed main artery/loop for Boerne. Currently, it is one of the largest available parcels of land for potential retail, pad site and office space development in the city.
